

Soothing Therapeutics

Jason Chipman
10 for 2 Web Design
Denver, CO 80228

Dear Jason,

I would like to thank you and your partner Chris for my website. You were so easy to work with and my site looks amazing. You listened to what I wanted and exceeded my expectations. My business has grown thanks to my presence on the internet.

Please feel free to pass along my information if you need a reference. I would be happy to tell people how wonderful it is to work with 10 for 2.

Sincerely,

Bonnie Baird
